I hereby certify that I have been acquainted with Dr. J. N. Dr. Blerson:—I take the liberty and fell it to be my duty to recommend to all persons suffering from disease of the stomach and bowels, your Alterative Compound, as a very seperior medicine. My son, sged to years, had been under medical treatment about five years for dyspepsia and diarrhea—when having almost despaired of his recovery, I concluded to try your Alterative, two bottles of which, I believe, entirely sured him. MICAJAH CAYCE.

Husswille, Oct. 17, 1955.

Dr. Bredson:—Some time has classed since I gave a certificate that my wife had been greatly benefited by your Alterative Compound. I now take pleasure in saving to the public, that my wife had for three or four yours been subject to the worst kind of spells of cramp in the stomach from dyspensia. I had tried of several whom I thought to be the best physicians in the place and a great many different medicines, with momentary relief. Being persuaded to try your alterative compound, I did so—and I am happy to say that it has entirely cured her; and I would constructionally recommend it to all persons suffering from diseases, of the recommend it to all persons suffering from diseases of the liver and dyspepsia. Dr. Blerson-Having seen the publication of your Alterative Compound, I think it my duty to say to the public, that I had been for years subject to spells of Gramp Colic, in its worst form; that I had tried almost error thing that is given by physicians, and never found any thing that would certainly relieve me, until I tried the above medicine, which has relieved to all the cover set. relieved me in every attack in less than an hour.

DR. FRASK'S MAGNETIC OINTMENT.

A MR. WINTERS had lost nearly all of his hair and had been hald for many years; by the use of these bottles of the Magnetia Continent, had his hair entirely rebeen affected with the Asthma from his cradle. He had the benefit of the best medical advice that a loving and wealthy father could procure, without avail. It was one of the most aggravated cases I ever saw; he was emaciated almost to a skeletan. By the use of a few bottles of the Ointment he was thoroughly cared, and for seven months past has enjoyed robust health. This was an extreme case of inflormmation of the splcen.

of long standing; has a variety of treatment from no less than eight different physicians, without receiving benefit—was cured by the use of only four bottles of the Magnetic Ointment. This was four months ago and the haly (a Mrs. Dun-ham,) is still in good health, and able to attend to ber usual household duties. There treated two eases of Chronic Sovie Eyes with the Ointment, both of the patients so nearly blend, as to need an attendant to lead them from place to place. One of them had been afflicted is years, the other about 9 years. They had tried the best physicians in the State, without benefit; and cos of them had been under the treatment of the celebrated Dr. Muzzy, of Cincinnati, for infilteen properly. eighteen months, and had expended hundreds of dollars in vain efforts to effect a cure. They are now by use of the Maguetic Ointment, nearly or quite cured; and are able to read and attend to any ordinary business. I have used the Ointment in a number of cases of Piles, and in an case has if failed of giving summalists relief and generally a personnel case. I have also used it beneficially in severe cases of Erysipelas. And lest but not least, I have within the last year cured four cases of CANCER by the use of the Magnetic

Ointment alone!

From a thorough trial of the Ointment in nearly every disease for which it is recommended, I can confidently recommend it to be one of the most useful remedies ever of tered to the public.

Respectfully Yours.
